

Colombia Odonata 9/24

This is my attempt to identify a few Dragonflies and Damselflies photographed during a Colombia butterfly trip to Putumato (Macoa), Magdalena (Minca), and Tayrona NP with Fauna Ventures. iNaturalist and other sites were used to help with my tentative ID.

Dennis Deck

Dragonflies (*Anisoptera*)

Clubtails (*Gomphidae*)

(*Epigomphus pechumani*)

Skimmers (*Libellulidae*)

Cardinal Meadowhawk (*Sympetrum illotum*) M

Cardinal Meadowhawk (*Sympetrum illotum*) F

Meadowhawk sp. ?

Meadowhawk sp.?

Montane Dragonlet (*Erythrodiplax abjecta*)

Tawny Pennant (*Brachymesia herbida*)

Red-tailed Skimmer (*Orthemis schmidtii*) ?

(*Mnesarete cupraea*) F

Tropical Woodskimmer (*Uracis imbuta*) M

Tropical Woodskimmer (*Uracis imbuta*) F

River Rubyspot (*Hetaerina caja*) F

Damselflies (Zygoptera)

Broad-winged Damselflies (*Calopterygidae*)

Racket-tipped Rubyspot (*Hetaerina occisa*)

Narrow-winged Damselflies (*Coenagrionidae*)

Swamp Dancer (*Argia indicatrix*)

Dusky Dancer (*Argia translata*)F

(*Mesamphiagrion laterale*)

(*Homeoura chelifera*) ?

(*Polythore procera*) ?
