

Thailand Butterflies 2016

It is interesting that unlike Oregon, which has nearly 3 times as many birds as butterflies, Thailand has more butterflies (1,100+) than birds (<1000). This is probably due to its warmer climate and plant life. Below are butterflies seen by Dan van den Broek and Dennis Deck during our Portland Audubon trip to Thailand in January, 2016. Since this was primarily a birding trip we rarely had a chance to confirm our initial identification and often could not get a satisfactory photo, so we have borrowed where we needed a better photo (<http://www.northernthailandbirding.com>).

Common Birdwing (*Troides helena*)

Common Jay (*Graphium doson*)

Hill Jezebel (*Delias belladonna*)

Great Windmill (*Atrophaneura dasarada*)

Green Dragontail (*Lamproptera meges*)

Indian Cabbage White (*Artoeaga candida*)

Banded Swallowtail (*Papilio demolion*)

Psyche (*Leptosia nina*)

Common Mormon (*Papilio polytes*)

Redbase Jezebel (*Delias pasithoe*)

Redspot Sawtooth (*Prioneris philonome*)

Painted Jezebel (*Delias hyparete*)

Orange Gull (*Cepora iudith*)

Striped Albatross (*Appias libythea*)

Yellow Orange Tip (*Ixias pyrene*)

Great Orange Tip (*Hebomoia glaucippe*)

Common Wanderer (*Pareronia anais*)

Common Grass Yellow (*Eurema hecabe*)

Chocolate Grass Yellow (*Eurema sari*)

Tree Yellow (*Gandaca harina*)

Dark Blue Tiger (*Tirumala septentiois*)

Chestnut Tiger (*Parantica sita*)

Ashy-white Tree-Nymph (*Idea stollii*)

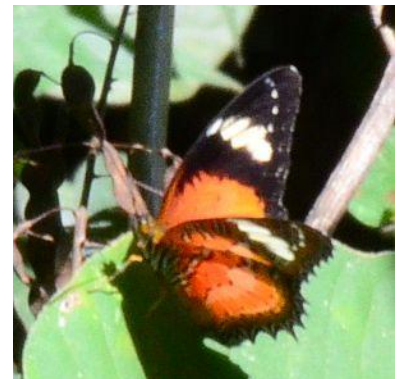

Lesser Striped Great Crow (*Euploea eyndhovii*)

Common Palmfly (*Elymnias hypermestra*)

Common Fivering (*Ypthima baldus*)

Malayan Lacewing (*Cethosia hypsea*)

Tawny Rajah (*Charaxes bernardus*)

Common Yeoman (*Cirrocha baldus*)

Small Leopard (*Phalanta alcippe*)

Rustic (*Cupha erymanthis*)

Clipper (*Parthenos sylvia*)

Green Commodore (*Sumalia daraxa*)

Colour Sergeant (*Athyma perius*)

Common Lascar (*Pantoporia hordonia*)

Common Sailer (*Neptis hylas*)

Burmese Sailer (*Heptis leucoporus*)

Green Baron (*Euthalia adonia*)

Common Castor (*Ariadne merione*)

Little Map (*Cyrestis themire*)

Chocolate Soldier (*Junonia iphtia*)

Lemon Pansy (*Junonia lemonias*)

Common Pierrot (*Castalius rosimon*)

Banded Blue Pierrot (*Discolampa ethion*)

Elbowed Pierrot (*Caleta elna*)

Malayan Pied Blue (*Megisba Malaya*)

Common Line Blue (*Prosotas nora*)?

Common Hedge Blue (*Acytolepis puspa*)

Zebra Blue (*Leptotes plinius*)

Purple Sapphire (*Heliophorus epicles*)

Great Eggfly (*Hypolimnna bolina*)

Marbled Map (*Cystis cocles*)

Common Imperial (*Cheritra freja*)

White-spot Beak (*Libythea narina*)

Bright Red Velvet Bob (*Koruthaialos sindu*)

Red Demon (*Ancistroides armatus*)

Moore's Wight (*Iton semamora*)

Puddling (males sip minerals from damp mud with their proboscis for use in the sperm packet)
